September 2-4, 2006 NSS Western Regional Registration

Western Regional Meeting 2006

San Diego, California

Facility

The Western Regional is being held at Dos Picos State Park which is between Poway and Ramona, California. This facility is centrally located to the attractions of San Diego as well as the local mountains and desert. It is off of highway 76 on the way to Julian and the Anza Borrego desert. It is close to one of the county's best climbing and bouldering areas, Mount Woodson, as well as shopping, restaurants and fast food. We have reserved the entire Pavilion area which has a large central pavilion, barbeques, fire pits and picnic tables. Dogs are welcome!

Camping

The group site that has been reserved for the Western Regional consists of 13 large camp sites arranged around a central meeting building. Each camp site can accommodate up to 8 people and the sites will be shared. Each site has a fire pit, barbeque, running water and AC power that you will need for recharging your caving lights for the "big ones"! Fire wood will be provided. Showers are nearby. Because of limited parking most cars will need to be left in the nearby "day" lot after unloading.

Truck and RV Camping will be severely limited in the group area. We have 2 RV sites reserved. If you plan to bring an RV or you MUST camp in or next to your vehicle we suggest that you reserve your own camp site in the park. As of March there were still lots of campsites available so reserve early for the Holiday weekend. You can reserve campsites by calling 1-877-565-3600 or you can reserve online at http://www.co.san-diego.ca.us/parks/camping/dos_picos.html .

Alternate Lodging

For alternate lodging please see the Regional website <http://www.sdgrotto.com/regional/> , the Ramona Chamber of Commerce website <http://www.ramonachamber.com/> , the Poway Chamber of Commerce website <http://www.poway.com/visitor.htm> or one of the many San Diego tourist information sites available on the web.

Meal Plan

In the interest of keeping things simple - *there isn't one!* However we are hosting the Western Region's 50'th anniversary party on Saturday night which features a Pig Roast with all the trimmings! Beer will be available for purchase at a nominal price.
